Is There Anything Beyond Clinical Dentistry?

Many dental professionals have transitioned into other arenas using their basic dental education and experience to create new careers and opportunities. Dental professionals have multiple talents, skills, and passions that can easily apply to other areas within the dental industry or outside of the field of dentistry. This course will help you define these skills that are critical to a fruitful future.

Learn from the Experts in Professional Survival

Linda Meeuwenberg, RDH, M.A., M.A., founder of Professional Development Association, Inc., brings a wealth of expertise and enthusiasm to her audiences. In addition to numerous dental associations, she is a member of the International Speaker Network, Chamber of Commerce, International Rotary, and the Association of Female Executives. Linda's research has focused on improving communication and personal performance. She has also co-authored *Stepping Stones to Success*, published a short story and numerous journal articles. Four decades of professional experience combined with Linda's enthusiasm make a uniquely powerful delivery that motivates participants to ACTION!

Edie Gibson, RDH, BSc, founder of About Face Dental Hygiene Spa, is a credentialed international speaker offering both clinical and professional development programs. She is a Fellow, Certified Educator and Board of Trustees member of the Association of Dental Implant

Auxiliaries (ADIA). She serves on the Editorial Review Board for the Journal of Practical Hygiene and is a Thought Leader for Hufriedy. She will share her journey as a clinician, NYC business manager, marketing director, make-up artist, trainer, author, educator, and equestrian; which culminated into owning her own dental hygiene practice. Edie has delivered numerous CE courses with rave audience reviews. Her passion and sense of humor will motivate you to ACTION!
